# A Little Journey Through (Small And Big) E-Commerce Websites

By Shavaughn Haack

O December 18th, 2013

51 Comments

People don't spend their money online easily. Think about it: If you had to answer a long list of questions or struggle to navigate a website, how much money would you be willing to part with?

Online shopping is about convenience and comfort, and those of us who have at least once ventured into the realm of online shopping know how time-consuming and unpleasant it can be.

#### Shut up and write the book

1. Shut up and write the book. I'm an extreme extrovert, which is really great after I write a book and I have to go out into the world and talk to people about it, but not so 400+♥ AUSTIN KLEON / 3h
